Program is subjected to change

Junior Cooking Competition

The Winter Weekends Festival in conjunction with the Port Fairy Consolidated School will host a Junior Cooking Competition.

The competition will involve students from Years 5 and 6 who are part of the school's cooking program that is central to their Stephanie Alexander Kitchen Garden Project.

A guest speaker and judge at the event will be Cassidy (pictured) who was a finalist in the 2010 Network Ten Junior Master Chef series.

Stephanie will give an insight into her involvement in the Junior Masterchef competition and will talk about her signature dish.

As part of the event, the audience will be invited to observe these talented junior chefs in action and, after the competition, be able to join in a scrumptious lunch prepared by the students in their very own kitchen.

Cost of Entry: Viewing only\$10
Viewing and lunch\$20
